General access rules

1. These house rules apply to everyone who enters our event site, the parking lot and other Locations belonging to the event (the "Location"). In this way, together we ensure a pleasant and safe experience.
2. In this document you can read what you can and cannot bring to a one-day event outdoor. Are you unsure about an object? Then there is a good chance that it will not be allowed inside. Please note: MOJO cannot store items for you, so please do not bring unnecessary or valuable items. The less you bring, the faster you can enjoy the event!
3. Always follow the instructions of the MOJO team or the authorized persons designated by MOJO. They are there to help you and others and make everything run smoothly.
4. In situations not covered by these house rules, MOJO may decide to take additional measures.

Self-reliance, Own risk & Liability

5. Anyone on or in the Location is requested to inform themselves of the escape routes in case there is an emergency.
6. If necessary, the Location or MOJO can decide to vacate the Location.
7. Make sure you can always contact your home front in case of emergencies.
8. Entering the Location and attending the event are entirely at your own risk. MOJO does not accept any liability for damage caused by entering the Location or attending the event, such as hearing, vision and/or other physical damage.
9. In or on the Location, you may be exposed to noise levels above 80 dB(A). Wearing hearing protection is your own responsibility. MOJO advises to use hearing protection to prevent hearing damage.
10. Staying overnight at the Location or in public space is not permitted. The police supervises this and can take measures against those who do not comply with this rule. On the day of the event, it is possible to queue from 12:00 noon. Of course you are also welcome later in the day. Plug in quietly and listen to the instructions of the security staff.
